investigation furthermore proves that no one laid down on his bank. There will be no clearinghouse certificates issued. It is evi dent to all thinking men who have examined the last bank statement that the banks are abundantly able to meet any monetary stringency that can possibly arrive.

Money on call ranged between 25 and 60 per cent. up to midday. The demand was not quite as large as Thursday and the announcement by President J. There are eight vacancies to be filled, and the republicans now have 63 members of the legislature, while it takes 70 to elect.
